INEQUALITY IS A POLITICAL CHOICE. IT DOESN'T HAVE TO BE LIKE THIS.

This week, thousands of people in more than 30 countries worldwide are mobilising and speaking out against extreme inequality.

We, the people, have the solutions.

Join us and be heard.

How can you support the global protest?

- Add your voice to the Twitterstorm demanding an end to the age of greed at www.bit.ly/fightinequality
- Record a short video saying why you're supporting the global protests and putting forward your solutions for a fairer society. Post this on social media along with #FightInequality
- Contact your MP and ask them what our Government is doing to fulfil its commitment to reduce inequality within the UK (through UN Sustainable Development Goal 10)
